

Cumulative Index 1979, 1980, and 1981

Volumes 2, 3, and 4

Note: The volume year is in *italic* type. Page numbers of symposium and article titles are in **boldface** type.

SYMPOSIA

1979

- April* **BRIEF PSYCHOTHERAPY**
August **LIAISON PSYCHIATRY**
December **AFFECTIVE DISORDERS: SPECIAL CLINICAL FORMS**

1980

- April* **SEXUALITY**
August **ADVANCES IN PSYCHONEUROENDOCRINOLOGY**
December **CHILD PSYCHIATRY: CONTRIBUTIONS TO DIAGNOSIS, TREATMENT AND RESEARCH**

1981

- April* **BORDERLINE DISORDERS**
August **THE MEDICALLY ILL PATIENT**
December **DEVELOPMENT AND PATHOLOGY OF THE SELF**

ACETYLCHOLINE, cognitive function and, 1981: Aug., 231
 Acromegaly, growth hormone secretion in, 1980: Aug., 230
 ACTH secretion, rhythmic, in depressives, 1980: Aug., 316
 ACTH-cortisol secretion, TSH and, 1980: Aug., 243
 Addictive disorders, in borderlines, 1981: April, 30, 59, 140
 Addison's disease, depression with, 1981: Aug., 247
 Additive-free diets, 1981: Aug., 259
 Adenohypophysis, 1980: Aug., 205
 Adenoma, pituitary, 1980: Aug., 226-228, 238
 Adolescence, analytic view of, 1980: Apr., 74-76
 family integration, 1980: Dec., 372

Adolescents, affective disorders in, 1979: Dec., 511-526
 borderline features in, 1981: April, 7-8, 49
 depression in, 1980: Dec., 449
 growth hormone secretion in, 1980: Aug., 229
 hospitalization of, 1980: Dec., 513-545
 schizophrenia in, drug therapy for, 1980: Dec., 450
 sexual development of, 1980: Apr., 45-60
 Adrenal corticosteroid(s), plasma levels of, rhythmic variation in, 1980: Aug., 210
 Adrenal corticosteroid receptors, 1980: Aug., 210
 Adrenal hyperplasia, congenital, 1980: April, 5-6; Aug., 352
 Adrenocortical insufficiency, depression with, 1981: Aug., 247

- Adrenocorticotrophic hormone, dexamethasone suppression and, 1981: Aug., 227
- response in anorexics, 1980: Aug., 305
- secretion of, circadian patterns of, 1980: Aug., 225-228
- sleep-related changes in, 1980: Aug., 211
- Adulthood, analytic view of, 1980: Apr., 76-78
- transition to, 1979: Aug., 279-282
- Affective disorders. See also specific disorders and subtypes.
- bipolar, in adolescence, 1979: Dec., 515-519
 - prophylactic lithium in, 1979: Dec., 488-490
 - rapid-cycling, 1979: Dec., 425, 461-467
 - borderline syndromes as, 1981: April, 4, 28-36
 - clinical forms (symposium), 1979: Dec., 419-617
 - in adolescents, 1979: Dec., 511-526
 - in children, 1980: Dec., 403-424
 - mixed states, 1979: Dec., 427, 449-459
 - personality and, 1979: Dec., 530-531
 - psychotic, 1979: Dec., 419-439
 - in mental retardates, 1979: Dec., 425, 499-510
 - incomplete interepisodic recovery in, 1979: Dec., 425
 - pharmacotherapy in, 1979: Dec., 433-434, 492-493. See also specific disorders.
 - "schizophrenic" features in, 1979: Dec., 421-431
 - temperamental, cyclothymic, 1979: Dec., 527-534
 - with medical illness, 1981: Aug., 301-317
- Affective vulnerability, of hysteroid dysphorias, 1981: April, 71
- Aged, psychotics in, 1981: Aug., 385
- Agoraphobia, borderline features with, 1981: April, 19, 30
- Aggressive behavior, sexual, 1980: Apr., 133-151
- Aging, growth hormone secretion and, 1980: Aug., 229
- sexuality and, 1980: Apr., 173-188
- Alcohol withdrawal, vs. affective psychosis, 1979: Dec., 427
- Alcoholism, depression spectrum disease and, 1979: Dec., 469-482
- in cyclothymic temperament disorder, 1979: Dec., 537
- Allergy, psychosocial factors in, 1981: Aug., 211
- Alzheimer's disease, 1981: Aug., 231
- Amenorrhea, in anorexia nervosa, 1980: Aug., 236, 300-304
- Amino acids, dietary, central nervous system function and, 1981: Aug., 253-255
- Amitriptyline, in brief psychotherapy, 1979: Apr., 176-179
- response in unipolar depression, 1979: Dec., 483-488
- Amnesic syndrome, 1981: Aug., 329-330
- Amphetamine, cortisol response in depressives, 1980: Aug., 319
- effects on neurotransmitters, 1980: Aug., 217
 - neuroendocrine response to, 1980: Aug., 293
 - side-effects of, 1981: Aug., 261
- Amygdala, 1980: Aug., 209-210
- Anal phase development, 1980: Apr., 38-39
- Androgen(s), in prenatal sexual differentiation, 1980: Apr., 6-10
- in treatment of sexual dysfunction, 1980: Apr., 189-191
- Androgen(s) (*Continued*)
- prenatal abnormalities, 1980: Aug., 354-356
- Androgen insensitivity, 1980: Aug., 352
- Anhedonia, vs. schizophrenic emotional blunting, 1979: Dec., 423
- Animal models, for human disease, 1979: Aug., 211-226
- Anorectic drugs, alteration of mood with, 1981: Aug., 261
- Anorexia nervosa, 1980: Aug., 299-312; Dec., 579-591
- borderline features in, 1981: April, 12
 - adult, structural family approach to, 1979: Aug., 249-263
 - borderline features in, 1981: Apr., 12
 - depression and, 1981: Apr., 145-158
 - gonadotrophin secretion in, 1980: Aug., 235
 - hormonal responses in, 1980: Aug., 215
 - loss of circadian cortisol rhythmicity in, 1980: Aug., 228
 - luteinizing hormone-releasing hormone secretion in, 1980: Aug., 214
- Antianxiety drugs, in brief psychotherapy, 1979: Apr., 172-176
- in sexual disorders, 1980: Apr., 193
- Anticholinergic premedication, for ECT, 1981: Aug., 397
- Antidepressant drugs, in brief psychotherapy, 1979: Apr., 176
- in sexual disorders, 1980: Apr., 194
- tricyclic, cardiotoxic effects of, 1981: Aug., 229, 344
- effects on neuroendocrine function, 1980: Aug., 290-292
 - for panic attacks, 1981: Aug., 344
 - in psychotic depression, 1979: Dec., 434
 - in unipolar depression, 1979: Dec., 483-488
 - organ impairment and, 1981: Aug., 380-382
 - side-effects of, 1981: Aug., 382-385
- Antidiuretic hormone, secretion, response in anorexics, 1980: Aug., 308
- Antipsychotic drugs, and brief therapy for schizophrenics, 1979: Apr., 179-182
- in depression, 1979: Dec., 492
 - in sexual disorders, 1980: Apr., 192
 - prolactin response to, 1980: Aug., 278
 - weight gain with, 1981: Aug., 260
- Antisocial personality, with borderline function, 1981: April, 12
- Anxiety, after acute myocardial infarction, 1979: Aug., 310
- assessment of, 1981: Aug., 335
 - cognitive therapy of, 1979: Apr., 27, 33-34
 - in children, drug therapy for, 1980: Dec., 448
 - in hyperthyroidism, 1981: Aug., 246
 - medical illness and, 1981: Aug., 333-350
 - with sexual problems, therapeutic interventions, 1979: Apr., 60-67
- Apomorphine, growth hormone response in schizophrenics, 1980: Aug., 218
- neuroendocrine response to, 1980: Aug., 293
- Arousal dysfunction, sexual, 1980: Apr., 165
- Assault, sexual, 1980: Apr., 133-151
- Assertive training, 1979: Apr., 68
- Attention deficit disorder, 1980: Dec., 425-441
- Atypical depression, 1981: April, 72
- Autism, self pathology in, 1980: Dec., 383-402

- Autoimmune diseases, psychosocial factors in, 1981: Aug., 213
- Automatic thoughts, 1979: Apr., 27
- Autonomic nervous system, in stress response, 1981: Aug., 270
- BACKACHE, life change and, 1979: Aug., 292
- Behavior, nutrition and, 1981: Aug., 253-268
- Behavior therapy, for attention deficit disorder, 1980: Dec., 430
- in depression, 1979: Apr., 28-30
- short-term, for sexual dysfunction, 1979: Apr., 55-73
- Behavioral medicine, 1979: Aug., 379-401
- pediatric, 1979: Aug., 265-276
- Behavioral rehearsal, 1979: Apr., 69
- Behavioral sex therapy, 1980: Apr., 159-160
- Bereavement, stress of, 1981: Aug., 205, 206, 274
- Biobehavioral research, 1981: Aug., 407-421
- Bioenergetic therapy, 1979: Apr., 98
- Biological factors, in sexual identity, 1980: Apr., 3-20
- Biological markers, in borderline disorders, 1981: Apr., 16-18
- Biological rhythms, neuroendocrine secretion and, 1980: Aug., 210-213, 223-250
- Bipolar disorder. See also under *Affective disorder*, and specific types.
- atypical, 1981: April, 40
- Birth trauma, 1979: Apr., 5
- Body ego, development of, 1981: Dec., 455, 457
- gender identity and, 1980: Apr., 21-36
- Body image, 1980: Apr., 27-28
- development of, 1981: Dec., 455-470
- maternal physical illness and, 1981: Dec., 462-463
- visual perception and, 1981: Dec., 457
- mirroring and, 1981: Dec., 463
- psychological assessment of, 1980: Apr., 123
- Body therapies, 1979: Apr., 98-102
- Body weight, excess. See *Obesity*.
- Bombesin, 1980: Aug., 210
- Borderline concept, 1979: Dec., 577-594
- Borderline disorders, archaic nature of self in, 1981: Dec., 436
- depressive component of, 1981: April, 11, 122
- neuroendocrine evaluation of, 1981: April, 89-99
- DSM criteria for, 1981: April, 68
- dynamic and developmental issues in, 1981: April, 117-132
- emotional lability in, 1981: April, 123
- familial characteristics and, 1981: April, 159-168
- female predominance of, 1981: April, 12-14
- hospitalization for, 1981: April, 133-144
- hysteroid dysphoria and, 1981: April, 67-87
- in children, institution in treatment of, 1981: Dec., 549-560
- minimal brain dysfunction in, 1981: April, 51-54, 56
- object inconstancy in, 1981: April, 123
- object relations in, 1981: April, 124-128
- paranoid rage in, 1981: Apr., 137
- sadomasochism and, 1981: Apr., 137
- schizophrenic, 1981: Apr., 5, 10, 26-28
- subaffective disorders as, 1981: Apr., 25-46
- Borderline disorders (*Continued*)
- subtypes of, 1981: Apr., 3-24, 54-62
- Rorschach analysis of, 1981: Apr., 101-116
- suicidal behavior in, 1981: Apr., 138
- superego dysfunction in, 1981: Apr., 138
- Borderline personality, cyclothymia and, 1979: Dec., 549-550
- Brain, disorders, degenerative. See *Dementia*.
- organic, in borderlines, 1981: Apr., 47-66
- function, nutrition and, 1981: Aug., 253-268
- hormone receptors of, 1980: Aug., 210
- inputs to median eminence, 1980: Aug., 208-209
- syndromes, organic. See also *Organic brain syndromes*, and specific disorders, as *Dementia*.
- in medically ill, 1981: Aug., 319-331
- with uremia, 1981: Aug., 352
- Brief psychotherapy, cognitive, 1979: Apr., 23-37
- crisis-oriented, 1979: Apr., 39-54
- drugs in, 1979: Apr., 171-187
- dynamic, 1979: Apr., 3-9, 11-22
- facilitative conditions in, 1979: Apr., 141-144
- group, 1979: Apr., 85-92
- interpretations in, 1979: Apr., 146-147
- new approaches, 1979: Apr., 93-109
- of stress response syndrome, 1979: Aug., 365-377
- outcome, evaluation of, 1979: Apr., 157-169
- patient characteristics and, 1979: Apr., 111-123
- relationship and technique in, 1979: Apr., 139-155
- therapist characteristics in, 1979: Apr., 125-137
- Burn injury, habilitation after, 1979: Aug., 332-336
- CALCIUM imbalance, psychiatric changes with, 1981: Aug., 248
- Cancer, psychosocial factors in, 1981: Aug., 214-216
- radiotherapy after, emotional response to, 1979: Aug., 347-358
- sexual function and, 1980: Apr., 182-183
- Carbohydrate intolerance, in anorexia, 1980: Aug., 308
- Cardiotoxic effects, of tricyclics, 1981: Aug., 344
- Cardiovascular disease, electroconvulsive therapy and, 1981: Aug., 394
- panic attacks and, 1981: Aug., 339
- sexual function and, 1980: Apr., 180-181
- Castration reaction, preedipal, 1980: Apr., 41-43
- Catecholamines, response to stress, 1980: Aug., 262-265
- Catharsis, in brief psychotherapy, 1979: Apr., 149-150
- Central nervous system, biological rhythms and, 1980: Aug., 224
- Cerebral dysrhythmia, mixed affective state and, 1979: Dec., 455-456
- Challenge tests, in neuroendocrinologic research, 1980: Aug., 214-220
- Character, schizoid structure, in anorectics, 1981: Dec., 474-480
- Characterologic depression, 1979: Dec., 593-617; 1981: Apr., 41

- Characterologic disorder, in borderlines, 1981: Apr., 31
- Child psychiatry, liaison, 1979: Aug., 265-276
- Children, affective disorder in, 1980: Dec., 403-424
- borderline condition: in, 1981: Apr., 8
- brief group psychotherapy with, 1979: Apr., 88
- depression in, 1980: Dec., 449
- drug therapy in, 1980: Dec., 443-453
- impact of divorce on, 1980: Dec., 455-468
- language-impaired, development of self in, 1981: Dec., 489-508
- neuropsychiatric disorders of, self-pathology in, 1980: Dec., 383-402
- preschool, diagnosis and treatment of, 1980: Dec., 547-560
- psychosis in, drug therapy for, 1980: Dec., 449
- psychoanalytic psychotherapy with, 1981: Dec., 509-532
- self-disorders in, institutional treatment of, 1981: Dec., 549-560
- self-pathology in, 1980: Dec., 393-402; 1981: Dec., 435-453
- Chlordiazepoxide (Librium), appetite-stimulating effects of, 1981: Aug., 260
- in brief psychotherapy, 1979: Apr., 173, 175
- Chlorimipramine, effect on prolactin secretion, 1980: Aug., 291
- Chlorpromazine, effect on prolactin secretion, 1980: Aug., 278, 281-285
- Cholecystokinin, 1980: Aug., 210
- Choline, dietary, neurotransmitters and, 1981: Aug., 254
- Cholinergic tuberoinfundibular pathway, 1980: Aug., 209
- Chronic disease, habilitation and impairment with, 1979: Aug., 331-346
- Circadian rhythms, 1979: Dec., 466
- neuroendocrine responses and, 1980: Aug., 210-212, 223-250
- Cleft palate, body image development and, 1981: Dec., 459
- Client-centered psychotherapy, 1979: Apr., 96-97, 141
- Clonidine, for panic attacks, 1981: Aug., 347
- growth hormone response in depression, 1980: Aug., 216
- Clozapine, effect on prolactin secretion, 1980: Aug., 280
- Cognition, 1979: Apr., 23
- disturbance of, medical illness and, 1981: Aug., 226
- impaired, 1981: Aug., 230
- as sign of organicity, 1981: Aug., 321
- organization, in self disorders, 1981: Apr., 124
- Cognitive approaches in behavioral medicine, 1979: Aug., 386
- Cognitive therapy, brief, 1979: Apr., 23-37
- Communicative style, of therapist in brief psychotherapy, 1979: Apr., 129-130
- Compliance, 1979: Aug., 324-326, 392-400
- Confidentiality, in consultation-liaison psychiatry, 1979: Aug., 403-413
- Congenital adrenal hyperplasia, 1980: Apr., 5-6
- Consciousness, altered, in intensive care unit, 1979: Aug., 312-314
- level of, change in, 1981: Aug., 321
- Consequential governance, 1979: Aug., 385
- Consultation. See also *Liaison psychiatry*.
- Consultation psychiatry, ethical dimensions of, 1979: Aug., 403-413
- Convalescence, after physical illness, 1979: Aug., 321-330
- Coping behavior, stress and, 1981: Aug., 276
- Coronary care units, anxiety and, 1981: Aug., 337
- Coronary-prone behavior, modification of, 1979: Aug., 243-248
- Cortisol, 24-hour sampling procedures, 1980: Aug., 214
- hypersecretion, in children with major depressive disorder, 1980: Dec., 414
- in depression, 1980: Aug., 314-322
- metabolism, in anorexia nervosa, 1980: Aug., 305
- response to stress, 1980: Aug., 253-254, 260-261
- secretion of, circadian pattern of, 1980: Aug., 225-228
- Counterphobic reaction, in chronic disease, 1979: Aug., 339
- Couples therapy, for sexual dysfunction, 1980: Apr., 169-171
- Crisis-intervention, for family emergencies, 1979: Apr., 81
- Crisis-oriented psychotherapy, 1979: Apr., 39-54
- Cryptorchism, body image development and, 1981: Dec., 459
- Cushing's disease, ACTH-cortisol rhythms in, 1980: Aug., 226-228
- growth hormone secretion in, 1980: Aug., 231
- psychiatric complications of, 1981: Aug., 247
- Cyanocobalamin deficiency, 1981: Aug., 258
- Cyclothymic depression, 1979: Dec., 580
- Cyclothymic disorders, 1981: Apr., 38-40
- Cyclothymic personality, as borderline concept, 1979: Dec., 586
- Cyclothymic temperament, 1979: Dec., 527-554
- Cyproheptadine, 1981: Aug., 261
- DECISION theory and behavioral medicine, 1979: Aug., 387-388
- Delinquency, psychobiologic perspectives on, 1980: Dec., 460-481
- Delirium, 1981: Aug., 230-232, 324-326
- cholinergic component of, 1981: Aug., 230
- in intensive care unit, 1979: Aug., 312-314
- Delusions, mood-congruous, 1979: Dec., 431-436
- paranoid, affectively based, 1979: Dec., 419, 429, 431-436
- Dementia, 1981: Aug., 230-232, 326-329
- cholinergic component of, 1981: Aug., 230
- Denial, in chronic disease, 1979: Aug., 339
- in stress response syndrome, 1979: Aug., 367-368
- Dependency-independency conflict, in hemodialysis patient, 1981: Aug., 353
- Depersonalization, depressive, vs. schizophrenic emotional blunting, 1979: Dec., 423
- Depression, ACTH-cortisol secretory rhythms in, 1980: Aug., 227
- after acute myocardial infarction, 1979: Aug., 310

Depression (Continued)

- anorexia nervosa and, 1981: Apr., 145-158
atypical, 1981: Apr., 72
 lithium response in, 1979: Dec., 490
 vs. hysteroid dysphoria, 1979: Dec., 559
behavioral techniques in, 1979: Apr., 28-30
biological basis of, 1981: Aug., 226-230
bipolar, prophylactic lithium in, 1979: Dec., 488-490
bipolar II, 1981: Apr., 40
characterologic, 1979: Dec., 595-617
cognitive therapy of, 1979: Apr., 27, 30-31
cortisol secretion in, 1980: Aug., 261, 314-322
cyclothymic, 1979: Dec., 580; 1981: Apr., 38
dexamethasone suppression test in, 1980: Aug., 216, 227-228, 316
dysthymic, 1979: Dec., 595-617
endogenous, 1981: Aug., 227
familial syndrome of, 1979: Dec., 469-482
growth hormone secretion in, 1980: Aug., 231
5-hydroxytryptophan and growth hormone release in, 1980: Aug., 217
in Addison's disease, 1981: Aug., 247
in borderlines, 1981: Apr., 4, 11
 neuroendocrine evaluation of, 1981: Apr., 18, 89-99
in children, 1980: Dec., 403-424, 449
in Cushing's disease, 1981: Aug., 247
in hemodialysis patient, 1981: Aug., 356
in hysteroid dysphoria, 1981: Apr., 70
intermittent, chronic, 1981: Apr., 41-44
mania and, mixed states, 1979: Dec., 449-459
neuroendocrinology of, 1980: Aug., 313-326
neurotic, 1979: Dec., 595-617
norepinephrine deficiency in, 1980: Aug., 228
personality and, 1979: Dec., 602-605
primary vs. secondary, 1981: Aug., 306
prolactin secretion in, 1980: Aug., 239
psychotic, 1979: Dec., 419-439
 antipsychotic drugs for, 1979: Dec., 492
 thymoleptic drugs in, 1979: Dec., 434
secondary, in adolescence, 1979: Dec., 522-525
subaffective, 1979: Dec., 606
subtypes, defined by response to
 pharmacotherapy, 1979: Dec., 483-497
unipolar, in adolescence, 1979: Dec., 519-522
 response to tricyclics in, 1979: Dec., 483-488
 schizoaffective states and, 1979: Dec., 445
 with medical illness, 1981: Aug., 301-317
Depression spectrum disease, 1979: Dec., 469-482
Desensitization, systematic, in sexual problems, 1975: Apr., 64-67
